Chapter #25 Madera County Dual Language

Region II.

Chapter #25 MCDL

Madera County Dual Language

- MCDL [Madera County Dual Language] CABE Chapter #25 Region 2 is an official CABE Chapter since June 7, 2016.
- Our goal is to support programs and activities that lead to more students learning to understand, speak, read, and write two or more languages.
- We also support the students, preschool through university graduates, who hope to receive the Seal of Biliteracy.
- This chapter represents all CABE members in Madera County.

Chapter #95 - Eastern Sierra [Bishop] (Amy Ablenado)

Despite being a small chapter, they are working hard. They have hosted their Winter Traditions performance at Bishop Elementary School on **December 15th**. All 6 classes of Bishop's dual immersion strand presented songs and dances in Spanish. Afterwards all of the families shared traditional holiday foods and beverages that they prepared.

The Eastern Sierra chapter is interested in growing the chapter and creating more partnerships with local organizations. All and any ideas are welcome!

-REGION 3 UPDATE, JANUARY, 2017-
REGION REPRESENTATIVE: Olivia Yahya

Chapter 03 – Pepperdine

Chapter 3, Region 3 of the California Association for Bilingual Education

Olivia Yahya, Region 3 Representative, CABE

Reyna García Ramos, Faculty Advisor

Sonya Sharififard, President

George Vigil, Vice-President

Joycelyn Hewitt, Secretary

Daniela Solares, Treasurer

-In 2016, CABE of Pepperdine University, in Region 3, of Chapter 3, furthered their mission and initiatives in expanding opportunity for its current student and community-based membership.

In 2017, CABE of Pepperdine University will continue to support and extend opportunities of inclusion, linguistic diversity and participatory action for the communities and members whom we serve. Chapter 3 of Region 3 anticipates active involvement at the annual State Conference in Anaheim, as well as the regional conference in Riverside.

-We believe our chapter should have a stronger relationship with the community. To fulfill such efforts, we are communicating with CABE Membership to establish student mentorships and committees within the chapter.

-Currently, all CABE members living in Los Angeles are currently assigned to Chapter 3.

In enforcing our organizational goal for all CABE members to be assigned to the chapter nearest the city on their membership record, we will work closely with our Region 3 Representative to establish chapter boundaries to developing a better perspective of what their community needs.

With the support and guidance of our Representative, we may seek to provide opportunities for student members, and the community at large to obtain work-related skills prior to their

graduation, offer a forum to network with future potential employers, and further the mission of CABE and GSEP in strengthening purpose, service, and leadership.

Scholarships/Grants

Our chapter would benefit from additional scholarships and grants for its members currently studying, observing and contributing to the field of bilingual education to assist with their educational expenses, and related training fees. We are working to provide more opportunity for attendance at the CABE Conferences. We would ultimately like to offer scholarships to individuals outside of the chapter, such as high school students pursuing higher education.

Fundraising

The chapter would like to host fundraisers, in which all proceeds would go to purchasing and donating resources and materials for bilingual education in neighboring K-12 schools/districts.

Workshops

Our chapter aspires to be the inspiration to help students examine new ideas. We can help students develop new skills that can help them get ahead in their communities and our society, while sustaining achievement in language acquisition and development. To meet these objectives, we have started a speaker series that will take place in 2 sessions per academic term.

2016-2017 Chapter Events

- **September 24, 2016:** Hosted Region 3 meeting at the West Los Angeles Graduate Campus of the Graduate School of Education and Psychology to promote discussion about multilingualism in the State, and implications surrounding Proposition 58.
- **October 2nd, 2016:** Día De Los Muertos Potluck at the Irvine Graduate Campus
- **October 3rd, 2016:** Día De Los Muertos Potluck at the West Los Angeles Graduate Campus
- **October 13th & 27th, 2016:** Co-Chaired Planning meeting for the Día De Los Muertos event for the Graduate School of Education and Psychology at the West Los Angeles and Irvine Graduate Campus.

Installed the *Ofrenda* at the Irvine and West Los Angeles campuses.

- **October 24, 2016:** Elections for CABE of Pepperdine Officers

CABE of Pepperdine elected 4 newly-elected officers as: President, Vice-President, Secretary, Treasurer.

- **November 3rd, 2016:** Installation of new officers
Officers were sworn-in at the West Los Angeles Graduate Campus at Pepperdine University.
- **December 17, 2016:** CABE of Pepperdine Holiday Reception
- **January 17, 2017:** Co-Sponsor Project Semilla
The Graduate School of Education and Psychology at Pepperdine University community will participate in Project Semilla by personalizing encouraging bookmarks for students in schools around the Los Angeles area.

Project Semilla was developed to draw attention to the diverse strengths and resilience of Latina/o families in our community.

- **February 11, 2017:** Parent In-service - Raising Bilingual Children
CABE Pepperdine will co-host a joint meeting with CABE Mandarin, Region 3, #28 at the West Los Angeles Graduate Campus. The seminar seeks to support a discussion on parental involvement in early childhood language and literacy immersion.
