

4.2 CABA Trip to Peru

In June 2016, the CABA Board approved the following:

International Education Tours

***Informational Item:** Karling Aguilera Fort and Jan Corea are exploring the possibility of CABA sponsoring an annual international trip (fee based) open to members, Board Members and Staff to understand and observe different school systems world-wide and their approach to the teaching and promotion of multiple languages and multiculturalism. CABA has a vision of preparing our students for success in a global society as explicitly described in the CABA Strategic Plan:*

CABA Essentials

- *P. 27, 21st Century Learning, 5. Social, Civic, and Environmental Responsibility;*
- *P. 28, 7. Strength of Body, Mind, and Character: Living in a global village requires that every member develop the strength of body, mind, and character to contribute in positive ways to a healthy community;),*

CABA Strategic Plan Focus Area

- *CABA Compass 3.3.7 Create a partnership between CABA and international organizations that establishes avenues for interchanges and collaborations between programs along with revenue growth and development for the organization.*
