and Orange County Department of Education (OCDE) Project GLAD® National Training Center

**Tijuana, BC, Mexico | Chula Vista, CA**  
**June 8 - 11 | November 16 - 20**

*Promote (the vision of) bilingualism and biliteracy in our schools on both sides of the border that intentionally elevates the linguistic and cultural richness of Baja California and California.*

- Become an OCDE Project GLAD®-certified teacher!
- Enjoy a bilingual, bicultural professional development experience with your colleagues!
- Dual immersion teachers: Develop high levels of academic Spanish!
- English partner teachers: Learn how to support your dual language students!
- Build collaborative relationships with colleagues from Baja California, Mexico, and California!
- Learn about Mexico's educational system and the transnational students we share!
