

CABE PROGRAM SUMMARY—2019-2020

JUNE • 2020

CABE has had both a very dynamic and unusual year with the successful implementation of many professional learning programs and events, the creation of resources and tools, actions in Sacramento on policy and legislative actions, and collaborating in strong partnerships—all actions that deeply support the vision of CABE—Biliteracy, Multicultural Awareness, and Educational Equity for All. Uniquely, we were faced with the impact of the Coronavirus in March, 2020—causing the cancellation of the CABE 2020 conference which was to be held in San Francisco less than one month prior to the beginning date of the conference and the cancellation of the Riverside Regional Conference.

While COVID-19 still places limits on physical gatherings and has forced the CABE team to work remotely for over three months, the vibrancy, creativity and deep commitment of the CABE Team has been one of the most prevailing factors of these last several months as we have grown in new skills, remained highly visible, collaborated together, focused on putting the 6Cs into action, and continued to serve our community, members, and partners with passion and expertise.
