

Item 2.3 - Region 3 Report

The Region 3 Chapter Assembly is scheduled for Friday, October 9th at 10:30 a.m. via zoom. So far, three of the 5 chapters are planning to participate.

We have plans to establish another chapter. A Pepperdine Alumnus is planning to start a chapter at the school where he works. Joshua Jauregui and Laurie Nesrala Miles have sent him paperwork to begin the process. I have reached out to him to offer my support. Dr. Reyna Garcia Ramos referred her former student to me. I look forward to speaking with him soon.
