ON-RAMPING TO EQUITY-CENTERED REOPENING OF SCHOOLS

Creating Caring Environments and Effective Systems for Culturally and Linguistically Diverse Learners through the Return to In-person Learning

OUTCOMES

- ☐ Inspire leaders to create a vision for an equity-centered, caring return to school.
- ☐ Develop frameworks to support biliteracy and English Learner programs and students of diverse cultural and linguistic backgrounds during the return to school.
- ☐ Bridge connections that emphasize equity through compliance processes such as LCAP, etc.
- ☐ Provide a safe space for critical conversations.
- ☐ Ignite a vision of caring and empathy for students, families and educators as we prepare to return to in-person school.

The ALS will include a panel of lead Superintendents and student authors.

Standing Together for Unity, Multiliteracy, and Equity

Administrative Leadership Symposium

Friday, March 26, 2021 • 4:00 PM-6:00 PM (PST)

SESSION DESCRIPTION

The **CABE 2021 Administrative Leadership Symposium** will provide superintendents, school board members, district and site leaders with an inside look at equity-based and caring systems for the return to in-person learning. While this school year has brought on many challenges due to distance and hybrid learning, we will come together at the CABE 2021 Administrative Leadership symposium to share mindsets, processes and resources as we look forward to extended learning opportunities and to ready ourselves for the new 2021-2022 school year. We will explore questions and perspectives such as:

- *How am I addressing the social-emotional needs of my English Learner and multilingual students and their families?*
- *How am I supporting my staff and myself during the current school year and as I prepare for the physical re-opening of schools?*
- *What resources are available to integrate assets-based, social-emotional support for staff and students?*
- *How am I able to leverage compliance documents such as the LCP and LCAP to ensure that English Learners and students of culturally and linguistically diverse background are supported?*

Dr. Victor Ríos, along with CABE and CALSA leaders, will present and facilitate a discussion that embraces the concept of “Care-Opening” as we plan for the return to in-person schooling. Highlights will include a keynote address by Dr. Ríos, student voice, leadership perspective from a panel of Superintendents, small group dialogue, and key take away resources to support the LCP/LCAP process through the lens of equity and the EL Roadmap.

The CABE 2021 Administrative Leadership Symposium promises to inspire, motivate, and provide resources and practices to engage all of us in standing together for unity, multiliteracy and equity! The CABE 2021 is co-sponsored by CABE and The California Association of Latina/o Superintendents & Administrators (CALSA) – www.calsa.org
