COMMENTS REGARDING BASECAMP

STANLEY A. LUCERO: In my opinion, basecamp has the potential to allow all of the CABE Leaders [Chapters, Affiliates, and Executive Board] and employees [CABE staff and consultants] to work together online as a statewide organization on common issues and projects. Basecamp will reduce the amount of phone calls and emails that we constantly make and allow each of us to devote time to CABE business according to our own schedules. We can also share information on Basecamp that we do not want to release to the general public.

GLORIA ULLOA RODRIGUEZ: I just want to thank Stanley and those who set up this Basecamp. It makes meeting the requirements for a Chapter so much easier!! Also it enables us to share what we are doing around the state. ¡Mil Gracias!!

PROPOSED MEMBERSHIP GUIDELINES TO BE APPROVED BY THE CABE BOARD.

These guidelines are to insure that all CABE members are assigned to a chapter, increase the membership of the CABE affiliates, organize out of state CABE members, and assign CABE student members to CABTE.

CHAPTERS

- Assign all CABE members to the nearest ACTIVE CABE chapter based on the address provided by the CABE member.
- Give all CABE members the option to be assigned to a chapter of their choice.
- Organize a chapter for out of state CABE members

AFFILIATES

- Assign all CABE members working in a dual language or two-way program to Two-Way CABE
- Assign all CABE members working at a university or college to CABTE
- Assign all CABE student members to CABTE
- Give all CABE members the option to be assigned to the affiliate or affiliates of their choice

RECOGNIZED CHAPTERS AND AFFILIATES

- Send chapters and affiliate an official letter and certificate from State CABE recognizing their current status as an active chapter or affiliate of CABE when they have completed their 2014-2015 Annual Report.
- List only active chapters and affiliates on CABE ZeeMap

OTHER RECOMMENDATIONS

- Establish CABE Student Representatives on the CABE Board.

INFORMATION FROM BYLAWS AND CABE'S LEADERSHIP HANDBOOK

“Requirement #1 – FISCAL YEAR-END STATUS

*CABE auditors for tax purposes require that **each CABE chapter and affiliate** submit an annual financial report for the fiscal year of July 1 to June 30. The chapter treasurer/president should submit the completed Chapter Annual Financial Report to CABE headquarters no later than July 31 of each fiscal year. Note: Financial Statements received after the deadline will not allow timely chapter rebate payment.*

Requirement #2 – ANNUAL SCHOLARSHIP REIMBURSEMENTS

***Chapters and affiliates** are also required for tax purposes to annually submit scholarship information in order for CABE to be in compliance with current laws for non-profit organizations. Chapters should complete the SCHOLARSHIP INFORMATION FORM which covers from July 1 to June 30 of each fiscal year and submit to CABE headquarters no later than July 31 of the new fiscal year.”*

CHAPTERS

The CABE bylaws do not outline how chapters qualify for the status as a CABE chapter. “Section 4: Delegate Assembly” discusses the five regional delegate assemblies.

Section 2:1 CABE's Leadership Handbook has a list of information the chapters must provide to CABE headquarters annually [approved by CABE Board 1/28/06]

- Officer List
- Bylaws
- Two year term for chapter president
- Budget Plan
- Financial Statement & Chapter Rebate Form
- Copies of minutes for three meetings
- Send representative to JDA
- Statewide and local CABA activities

AFFILIATES

“Section 5: Affiliated Special Interest Groups” of the CABA bylaws lists three requirements for affiliate groups:

1. 50 CABA members in the affiliate
2. Approval by CABA Board
3. Minimum average of 55 paid up CABA members
