

CARDINAL POINT: ENVISIONING ENGLISH LEARNER SUCCESS

Goals & Skills for EL's	Effective Practices & Resources	Communication	Training
Academic preparation will take English Learners to a path of success and to prepare them to live in a global society.	Revive the "Promise" work and pull what is usable	Identify "examples" for each essential and post links on website.	Hold webinars on each essential (tailored to administrators, boards, parents, teachers)
Goal for the Future—Our Nation is not isolated, we belong to a global society.	Identify research -based effective practice for improving academic performances of EL's	Create talking points for CAFE board and staff	Establish effective plan for training of teachers, principals, DO admin, and board members on needs of effective instruction practices for EL's
There is life beyond school - Civic responsibility -Create better communities		Create a palm card that summarizes our essentials.	unveil essentials at CAFE conference and engage attendees.
Identify college, career and 21st century ready skills as focus for EL's		Identify "measures" and "practices" for each essential.	
Percentage of EL's by state, district, schools		Identify membership voices to speak to each essential.
