

PARTNERSHIP AGREEMENT

September 21, 2013

EdCaliber and CABE—California Association for Bilingual Education

EdCaliber and the California Association for Bilingual Education (CABE) sharing similar visions to promote biliteracy and educational equity in support of English Learner students enter into the following agreement as Partner Organizations:

- The joint creation of a series of 60 minute webinars to support the implementation of systemic best practices for English Learners.
- The commitment to the following responsibilities:
 - CABE will be responsible for creating the content for the webinars and will integrate the theme of the CABE annual conference into the webinar content.
 - EdCaliber will be responsible for the technical production, hosting, and promotion of the webinars.
 - EdCaliber will be provided the opportunity to be a sponsor at the CABE annual conference to include the sponsorship of a workshop linked to the webinars.
 - Each organization will promote the produced webinars via webpage, Facebook, email lists, etc.
 - Each organization will share and post each organization's logo, webinar information, organization description and web link on websites and Facebook pages.
- The commitment to communicate and partner as appropriate and agreed upon regarding initiatives that support the vision of educational equity and biliteracy for English Learners.
