Bilingual Teacher of the Year 2001

My name is Angelica Hurtado and I would be honored to earn your vote and represent CABE and all Region 4 colleagues, by being elected for CABE Region 4 Representative, Board of Directors. With your vote, I will represent Coachella CABE, CABE of the Desert, Riverside CABE, San Bernardino County CABE, and South County San Diego CABE. My goal is to fulfill CABE's mission, increase membership, and work collaboratively with Region 4 chapter leaders to achieve their goals. As first-generation college student and an English learner I have a personal passion to make sure that English learners succeed and are represented.
