[AB 49](#) ([Muratsuchi D](#)) **Schoolsites and day care centers: entry requirements: immigration enforcement.**

Introduced: 12/2/2024

Location: 12/2/2024-A. PRINT

Summary: Current law prohibits, except as required by state or federal law or as required to administer a state or federally supported educational program, school officials and employees of a school district, county office of education, or charter school from collecting information or documents regarding citizenship or immigration status of pupils or their family members. Current law requires the superintendent of a school district, the superintendent of a county office of education, and the principal of a charter school, as applicable, to report to the respective governing board or body of the local educational agency in a timely manner any requests for information or access to a schoolsite by an officer or employee of a law enforcement agency for the purpose of enforcing the immigration laws in a manner that ensures the confidentiality and privacy of any potentially identifying information. This bill would prohibit school officials and employees of a local educational agency from allowing an officer or employee of the United States Immigration and Customs Enforcement (ICE) to enter a schoolsite for any purpose without providing valid identification, a written statement of purpose, and a valid judicial warrant, and receiving approval from the superintendent of the school district, the superintendent of the county office of education, or the principal of the charter school, or their designee, as applicable. The bill would require the local educational agency, if the officer or employee of ICE meets those requirements, to limit access to facilities where pupils are not present.

[AB 243](#) ([Ahrens D](#)) **Postsecondary education: student financial aid dependency status: juvenile case file inspection.**

Introduced: 1/14/2025

Location: 1/14/2025-A. PRINT

Summary: The Donahoe Higher Education Act establishes the California Community Colleges, under the administration of the Board of Governors of the California Community Colleges, the California State University, under the administration of the Trustees of the California State University, and the University of California, under the administration of the Regents of the University of California, as the 3 segments of public postsecondary education in the state. A provision of the act requires the California State University, and requests the University of California, to annually report, on or before March 31, to the Legislature on their respective institutional financial aid programs. The act applies to the University of California only to the extent that the regents, by appropriate resolution, make it applicable. Current law establishes the Student Aid Commission as the primary state agency for the administration of state-authorized student financial aid programs available to students attending all segments of postsecondary education. For purposes of making an unusual circumstances adjustment regarding the dependency status of student financial aid and institutional financial aid applicants attending a California State University, California Community College, or University of California campus, this bill would require a financial aid administrator of the segment or the commission, as applicable, to accept a sworn statement containing information signed under penalty of perjury by an authorized representative of a local educational agency, county welfare department, or probation department as sufficient documentation if other documentation is unavailable, as specified.
