

MURDOCH WALRATH & HOLMES

MEMORANDUM

Date: January 30, 2025

To: CABE Board Members
Dr. Edgar Lampkin, CEO

From: Jennifer Baker, Legislative Advocate

Subject: Sacramento Update

The 2025 Legislative Session is already turning out to be a time of action and reflection as the Governor and Legislature grapple with the immediate and long-term impact of the most recent wildfires in southern California. While the immediate impact of the fires is to address human needs and support, potential additional dangers stemming from mudslides are on the top of policy leaders' minds to try to prevent additional hardship on those who have already been impacted by the fires. In addition to the short-term impact of the fires, the state is already making changes to begin to tighten its belt as the short and long-term economic impact are likely to be felt for years to come with overall reductions in tax revenues, which will ultimately impact the state General Fund and education funding.

State leaders are additionally proposing ways to protect California residents from raids and actions from Immigration and Customs Enforcement. Legislative proposals to help and hinder these important and vulnerable populations have already been introduced. CABE has entered the conversation regarding both legislation and budget proposals, and will navigate this conversation as it moves forward. CABE leadership has already begun to engage the Newsom Administration, as well as legislative leadership, to assess the best way to assist the population of English learners in schools that will be impacted by the Trump Administrations shift in immigration policy. It is likely some of these conversations and actions will necessitate quick and contemplative reactions from CABE in the months to come.

CABE Legislative Team Supports Newly-Introduced Legislation

While the deadline to introduce legislation is not until February 21st, hundreds of bills have been introduced by the California Legislature. Your legislative team has begun taking position on bills that have been introduced thus far and will continue to take positions on newly introduced legislation as additional bills are introduced. The following support positions have been taken on recently-introduced bills:

AB 49 (Muratsuchi): Immigration Enforcement – Would prohibit local educational agency school officials and employees from allowing federal Immigration and Customs Enforcement officials from entering a school site for any purpose without providing valid identification, a written statement of purpose, a valid judicial warrant, as well as receiving approval from the superintendent of the district,

the county, or the principal of the charter school or their designee. Further requires the LEA to limit access to school facilities.

AB 243 (Ahrens): Student Financial Aid Dependency Status – Would require financial administrators of the California community colleges, California State University, or University of California, or the Student Aid Commission, to accept a sworn statement signed under penalty of perjury by a representative of a LEA, county welfare department, or probation department as sufficient document for student aid.

SB 12 (Gonzalez): Immigrant and Refugee Affairs Agency – Would create the Immigrant and Refugee Affairs Agency headed by a secretary appointed by the Governor, subject to Senate confirmation who would reduce obstacles and enhance immigration integration into California.

SB 48 (Gonzalez): Immigration Enforcement at School Sites prohibitions on access, sharing information, and law enforcement collaboration – Would prohibit school districts, county offices of education, or charter schools and their personnel from allowing Immigration and Customs Enforcement to access a school campus without a judicial warrant. To the extent possible, would require local education agencies and their personnel to deny access and documentation, or disclosing or providing education records about a pupil, pupil's family, school employees, or teachers, without a judicial warrant.

A list of bills currently being monitored, as well as support letters, are included as separate attachments.

CABE Holds Leadership Lobby Day

On January 29th, CABE held a Lobby Day with key leaders of the Newsom Administration, as well as both Senate and Assembly Leadership, to convey CABE budget and legislative priorities. The priorities included the support of AB 49 (Muratsuchi), AB 243 (Ahrens), SB 12 (Gonzalez), and SB 48 (Gonzalez). CABE additionally conveyed support for budget priorities, particularly supporting immigrant communities, support to fully fund the implementation of AB 2074 (Muratsuchi 2024), and to provide additional funding to continue the Educational Workforce Investment Grants. Capitol leaders expressed their desire to support immigrant communities as much as possible and stressed there has been significant chaos and misinformation presented by the Trump administration, making it difficult to plan for what may be hyperbole and what may be actual changes in policy and fiscal priorities.

CABE attendees included: Dr. Edgar Lampkin, CABE Chief Executive Officer, CABE President-Elect; Dr. Lettie Ramírez, Director of Secondary & IHE Affairs; Mary Helen Ybarra, CABE Director of State/Legislative Affairs; Martha Zaragoza, CABE Senior Advisor; Dr. Annie BichLoan Duong, Region I Representative; Sally Fox, CABE Educational Policy Analyst; Charles Bacon, CABE Legislative/Policy Coordinator Apprentice.

Newsom Introduced 2025-26 Budget Proposal

Governor Newsom released his 2025-26 budget proposal January 10th. The overall budget totals \$322.2 billion, including \$228.9 billion in the General Fund. Reserves total \$16.9 billion, allocated as follows: \$10.9 billion in the Rainy Day Fund, \$1.5 billion in the Public School System Stabilization Account, and \$4.5 billion in the Special Fund for economic insecurities. Overall revenues have increased by \$16.5 billion but are still significantly impacted by revenue volatility due to California's progressive tax structure. The Governor also noted education will receive \$118.9 billion in TK-16 Proposition 98 funding

for 2025-26, which includes \$24,764 in per pupil funding for 2025-26, with \$18,918 coming from Proposition 98. Additionally, a 2.43 percent cost-of-living adjustment is included in the proposed education budget.

A copy of CABE's budget letter is included as an attachment.

CABE Advocates Budget Priorities

Following the release of Governor Newsom's 2025-26 budget proposal, CABE shared budget priorities with both the Governor's office, as well as legislative leadership in both the Senate and Assembly. CABE's fiscal priorities for 2025-26 include the request for policy and fiscal support for California's immigrant communities from Immigration and Customs Enforcement; both support and funding to ensure the full implementation of the ELA/ELD Framework and English Learner Roadmap; support of Governor Newsom's Literacy Instruction package with the recommendation that it specifically include biliteracy/multiliteracy; full funding the implementation of AB 2074 (Muratsuchi and Alvarez 2024); and funding to provide an additional \$20 million to continue the Educator Workforce Investment Grant.
