

# You're Invited to Inspire, Lead, and Transform at **CABE 2026**

MARCH 4 – 7, 2026 | SAN FRANCISCO MARRIOTT MARQUIS | SAN FRANCISCO CALIFORNIA

## *Call for Proposals*

Are you passionate about bilingual, multilingual, and multicultural education? Do you have powerful practices, research, or strategies that elevate English learners, biliteracy students, and students of diverse backgrounds? If so, **CABE 2026 wants YOU!**

We invite you to **submit your proposal** and join a vibrant community of visionary educators, researchers, and advocates at one of the most dynamic educational conferences in the world. CABE 2026 is your platform to share what works—what truly impacts students, their families, and the educators who serve them.

With over 5,000 attendees annually, the CABE Conference is a premiere event that delivers **in-depth, high-quality, and innovative professional development**. For decades, it has been a beacon of excellence in bilingual and multilingual education, and in 2026, we're bringing that legacy to the heart of San Francisco.

**CABE 2026 is more than a conference—it's a movement.** A space where educators like you come together to advance equity, biliteracy, and global competence. We believe that in a world where speaking four or more languages is the new standard, ALL of our students must be prepared to lead. Help us shape the future.

Be a part of something exceptional. **Submit your proposal** and join us for four unforgettable days of learning, sharing, and celebrating the power of language and culture in education.
