

Dr. Carlos Ulloa

Region IV Representative

Representing San Bernardino, Riverside,
San Diego, and Imperial Counties.

PERSONAL STATEMENT

I am the proud product of public education and the son of immigrant parents from Mexico and El Salvador. I have dedicated my career to advancing bilingual education, equity, and opportunity for multilingual learners.

Today, I carry that purpose forward, honoring the legacy of those who built this work while strengthening CABE's vision for future generations.

Our students deserve classrooms where their language, culture, and identity are recognized as strengths. Our educators deserve support, respect, and the tools to do their best work.

**This is the work.
This is the responsibility.
And it continues.**
