

MULTILINGUAL LEARNER SHADOWING INSTITUTE

A Catalyst for Student-Centered Classrooms

July 23 & September 17, 2026 • 9:00 am - 3:00 pm

CABE Headquarters | 20888 Amar Rd., Walnut, CA 91789

The California Association for Bilingual Education is honored to continue the legacy of Dr. Ivannia Soto as the official home of the National Center for Multilingual Learner Shadowing (NCMLS), advancing this work to support educators and students across the country.

AUDIENCE: Teachers of multilingual students, Coaches, TOSAs, Administrators, Multilingual Learner Leads

PARTICIPANTS WILL:

- Apply the Multilingual Learner Shadowing Protocol (MLSP) to identify student needs
- Analyze classroom scenarios to understand language development in practice
- Align Designated & Integrated ELD with core instruction
- Design language-rich, student-centered lessons
- Build cross-linguistic connections across languages

Walk away with a clear, replicable process to identify multilingual learner needs and design instruction that actually responds, starting on day one of school.

“To truly support multilingual learners, we must understand their full linguistic, academic, and sociocultural experiences—not just their proficiency levels.”

— Dr. Ivannia Soto

REGISTRATION INCLUDES:

- 2 days of high-impact professional learning provided by expert facilitators
- Lunch and refreshments both days
- Your own copy of the Multilingual Shadowing book
